

VSO Job Description

The Veterans Service Officer (VSO) is responsible for assisting veterans and eligible family members in the filing of compensation, pension, education, burial, and other claims with the VA. This individual performs outreach to veterans at senior centers, nursing homes, assisted living and resource fairs. The Veterans Service Officer also reviews, and processes claims for eligible veterans, including veteran or spouse dependent claims, disability claims, death benefits, education assistance, vocational rehabilitation, fiduciary accounts, medical services, debt waiver requests, and discharge upgrades. This involves obtaining supporting documentation, reviewing claims before filing, and assisting with appeals. The Veterans Service Officer coordinates activities with the VA Regional Office, Colorado Division of Military Affairs, as well as other State and local agencies.

This position operates on a flexible work schedule, dictated by the needs of Phillips County veterans while fulfilling the job responsibilities outlined below.

This position is hybrid, requiring remote work, in-office work, and field work as needed.

Hiring Range: Compensation will be determined by the anticipated state allocation. Any additional funding provided by the County will be determined each budget cycle.
