

Wind Energy Conversion System Land Use Permit
(Please Print or Type Information)

Date of Application _____	Application # _____	Permit # _____	
Legal: _____	Township: _____	Range: _____	Section: _____
Fee <u>\$100.00</u>	Deposit <u>(none)</u>		

Total acres of land involved in the project: 69,907

Name of Applicant: Overland Pass Energy, LLC

Work Phone Number: (952) 473-7500

Address: c/o National Renewable Solutions
11100 Wayzata Blvd. Suite 450
Minnetonka, MN 55305

Cell Phone Number: (701) 388-4272
email address: aingulsrud@natrs.com

Include a Vicinity Map – Detailed drawings and photos, if possible.

Detailed Drawing or Photograph. Detailed drawing of the Distributed Wind Energy System to be installed. The drawing shall include dimensions for wind tower footprint, tower height, hub height and blade tip height.

- **Include a Survey Map and/or Site Plan** (This depends on the project. Contact Assessor/Land Use Administrator. Survey required for lot line adjustments.)

Site Plan. The site plan for applications for a Distributed Wind Energy System shall include the following elements:

- a. Date of preparation, revision box, written scale, graphic scale, and north arrow (designated as true north).
- b. Clearly identified boundary lines, corner pins, and dimensions of the site.
- c. Location of lot lines.
- d. Size of the site, in acres or square feet.
- e. Existing uses of the site and the adjacent properties.
- f. Existing structures shown by location and dimension.
- g. Location and dimensions of proposed Distributed Wind Energy System and distance from the boundaries of the site.
- h. Existing roads, railroads, utility lines, and easements and rights-of-way on the site, shown by location and dimension.

Wind Energy Conversion System Land Use Permit

Description of the proposed land use change. A written description of the proposed Distributed Wind Energy System shall include the manufacturer, and model of the system to be installed, the rated kW capacity, overall height of the turbine (grade level to highest tip extension), total blade diameter, and rated maximum rotor RPM. Additional pages may be added, if needed.

SEE BELOW

Adjacent Land Owners: Owner of each property involved. State the current owner of all properties as on the Assessor's records.
